Touchless Boat Covers Continues Support Of USA Water Ski Programs

Bronze sponsorship will continue through 2009

POLK CITY, Fla. – USA Water Ski is pleased to announce that Touchless Boat Covers, produced by IMT, Inc., has renewed its partnership as a Bronze Sponsor of the national governing body of organized water skiing through 2009.

“We are extremely pleased to continue our partnership with Touchless Boat Covers,” said Steve Upp, USA Water Ski’s director of business development and partnerships. “Our members are very active boat owners and there is no better system for helping them take care of their boats, while maximizing their time on the water, than a Touchless Boat Cover.”

In addition to its Bronze Sponsor designation, Touchless Boat Covers will be recognized as an Official Product of USA Water Ski.

Touchless Boat Covers is a well-established organization based in Winter Park, Fla. Visit www.touchlesscover.com for more information.

USA Water Ski was formed in 1939 as a non-profit organization promoting water skiing in the United States. USA Water Ski is affiliated with the International Water Ski Federation (world governing body) and is recognized by the United States Olympic Committee and Pan-American Sports Organization as the national governing body of organized water skiing in the United States.
